

Australian Government

Department of Education and Training

What do you need to know about delivering the IST Courses in VET?

Chair:

Clare Boutchard - Department of Education and Training

Panel:

Tim Gilbert - Melbourne Polytechnic

Bev Jeffreys - Kangan Institute

What are the IST courses?

- Non-accredited courses in training & assessment that are:
 - providing Australian RTOs with additional opportunities for offshore delivery
 - addressing skills needs in the global workforce
 - assisting international companies in accessing skilled labour

International
SKILLS TRAINING

Courses available

- **TVET Trainer:** provides learners with a vocational background the skills to train learners in their industry of expertise.
 - **TVET Assessor:** provides learners with a vocational background the skills to assess learners in their industry of expertise.
 - **TVET Advanced Trainer and Assessor:** provides learners with the skills to take up a leadership role within a training organisation, enterprise or industry.
- 

Impetus for development

- Courses developed by Australian Government with VET and industry stakeholders
- Need identified at the Australia India Education Council Skills Working Group meeting in 2013:
 - decline in AQF delivery offshore
 - upskilling large populations
 - low-cost, high volume model

Pilot Phase (2015-2017)

Phase I (2017)

- Launched in April 2017
- Commercial delivery in India only
- 10 licensed providers by end 2017
- Broad ranging business opportunities established across the Asia-Pacific region

Phase II (2018)

- **China** – delivery in Beijing, Jiangsu Province, and Zhejiang Province
 - **Vietnam** – delivery under the Department of Foreign Affairs and Trade *Aus4Skills* aid initiative
 - **Pacific Nations** – delivery in Fiji, Vanuatu, Solomon Islands, Tonga, and Samoa through the Australia Pacific Training Coalition
- 

A quality training product

- Rigorous eligibility criteria for RTOs
 - Mandatory use of standardised learning materials
 - Mandatory use of standardised assessment products
 - Other quality assurance measures under development
- 

Video

How to apply

- Australian RTOs can apply for a licence to deliver the courses.
- Annual licence fees of \$4,000 for up to 500 learners and \$7,500 for an unlimited number of learners.
- Further information can be found at:
www.education.gov.au/internationalskillstraining

International Training and Assessment Courses

AssessitNow Plus
Learning Management System

TVET Trainer Course

- Prepare to deliver competency based training & assessment
- Deliver competency –based training
- Prepare learners for formative assessment
- Coach and support learners

TVET Assessor Course

- Prepare to deliver competency-based training and assessment
- Conduct competency –based assessment
- Participate in assessment validation

Resources

For the Trainer and Assessor

Assessment Strategy – an overview of the courses and how to use the resources and assessments.

Course Mapping Document – details where assessments and tasks are mapped throughout the units of competency in the course.

Assessor Marking Guide – marking guide for the Assessment Workbook detailing suggested answers.

For the Candidate

Introduction Modules – online or pdf versions provide basic knowledge and skills required by the entry level TVET trainers and assessors **before** progressing on to the TVETC001 Trainer Course and the TVETC002 Assessor Course. Global or Indian versions provided.

Candidate Assessment Information – what the course comprises of and what the learner is required to do to complete the course.

Learning Tools – are supplied for each course. These materials include knowledge required by trainers and assessors working in vocational education in their country, and activities to be completed by course participants.

Candidate Assessment Workbook – provided for each learner, includes activities and questions (Can be printed or filled out with adobe reader).

International
SKILLS TRAINING

Before you start

The IST Trainer Course will provide you with the skills and knowledge required to deliver training in the technical vocational education and training (TVET) sector.

Before you begin the course, please review the following introduction resources:

1. Candidate Information Booklet

This booklet contains information about:

- what units make up the course
- how you will be assessed.

2. Introduction Modules

These modules will introduce you to the terms and some of the knowledge that will be used during the course. You can do the modules online or download a paper based version.

3. Trainer Course Learning Guide

The Learning Guide contains information about the skills and knowledge required to work as a trainer. You will use the Learning Guide throughout the course, as instructed by your teacher.

TVETC001 Candidate Information Booklet

TVETC001 Introduction Modules

TVETC001 Trainer Course Learning Guide

Candidate Resources

TVET001 Prepare to deliver competency-based training and assessment

This unit covers the skills required to select appropriate vocational standards, analyse standards, interpret and contextualise standards, and to develop your professional practice.

To complete this unit, you must:

- complete the **Candidate Assessment Workbook**
- complete the **Knowledge Test**.

Access these assessment tasks using the links below:

[TVET001 Candidate Assessment Workbook](#)

[TVET001 Knowledge Test](#)

3.2 Reflection

You are to reflect on their work practice, including ethical work practice, and identify improvements.

1. Ethical practice

As a trainer or assessor, you must behave ethically at all times. Give examples of 2 things you do at work that demonstrates ethical behaviour.
