

In focus Africa...

A potential student perspective.

Vincent Tawiah
PHD Candidate.

Matured minded.

Post-graduate.

Long-term career plan

Australia is new and far

Personal decision

The qualification.

High value for
Australian
qualification

Flexible program

Applied learning
(WIL)

The Money.

Value for money

Self-finance

Exchange rates and
restrictions

Discount for fees.

Stable visa conditions.

Delays and uncertainty in visa
granting.

Potential TR pathways.

Africa is not just an alternative market for Australian International Education, It is ripe for Australian universities, for Europe and America is congested and saturated to prospective students.

- Thank you.
