

Measuring International Engagement in the Schools Sector

- **Elizabeth Webber**, *Chair, Australian Government Schools International (AGSI) & Chief Education Officer, NSW Department of Education – International*
 - **Overview of data gaps in the school sector & importance of this project**
- **Stephen Connelly**, Director, i-graduate Australia
 - **Approach to data collection, methodology & reporting**
- **Mariana Lane**, Project Manager- International education, Independent Schools Council of Australia (ISCA)
 - **Issues, challenges & desirable outcomes**

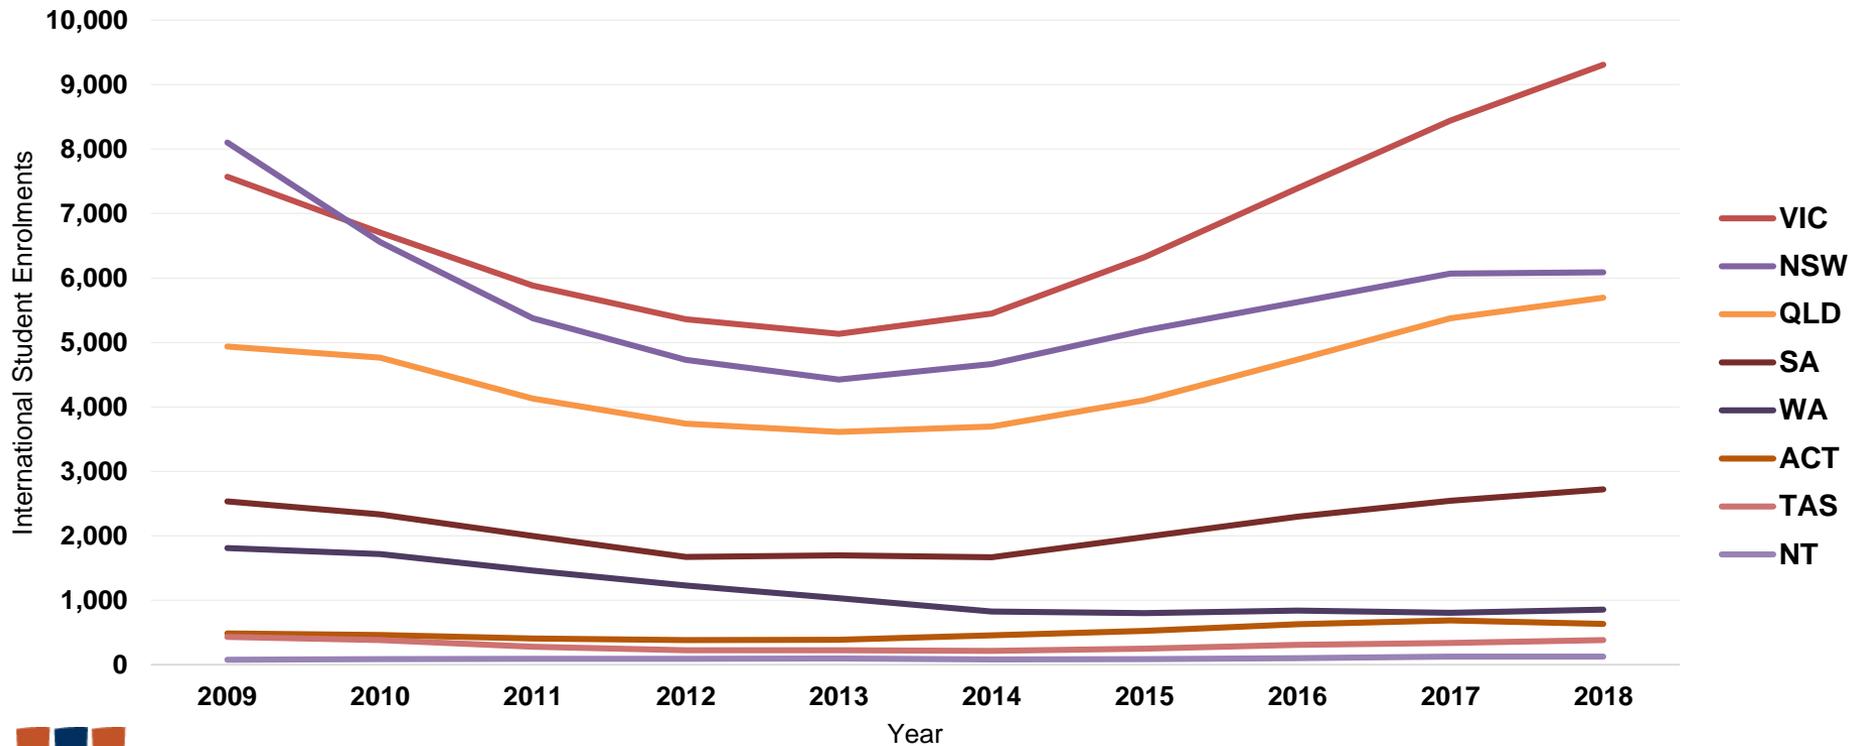

International Student Data

International Student Enrolments - by Sector
July YTD 2009 - July YTD 2018

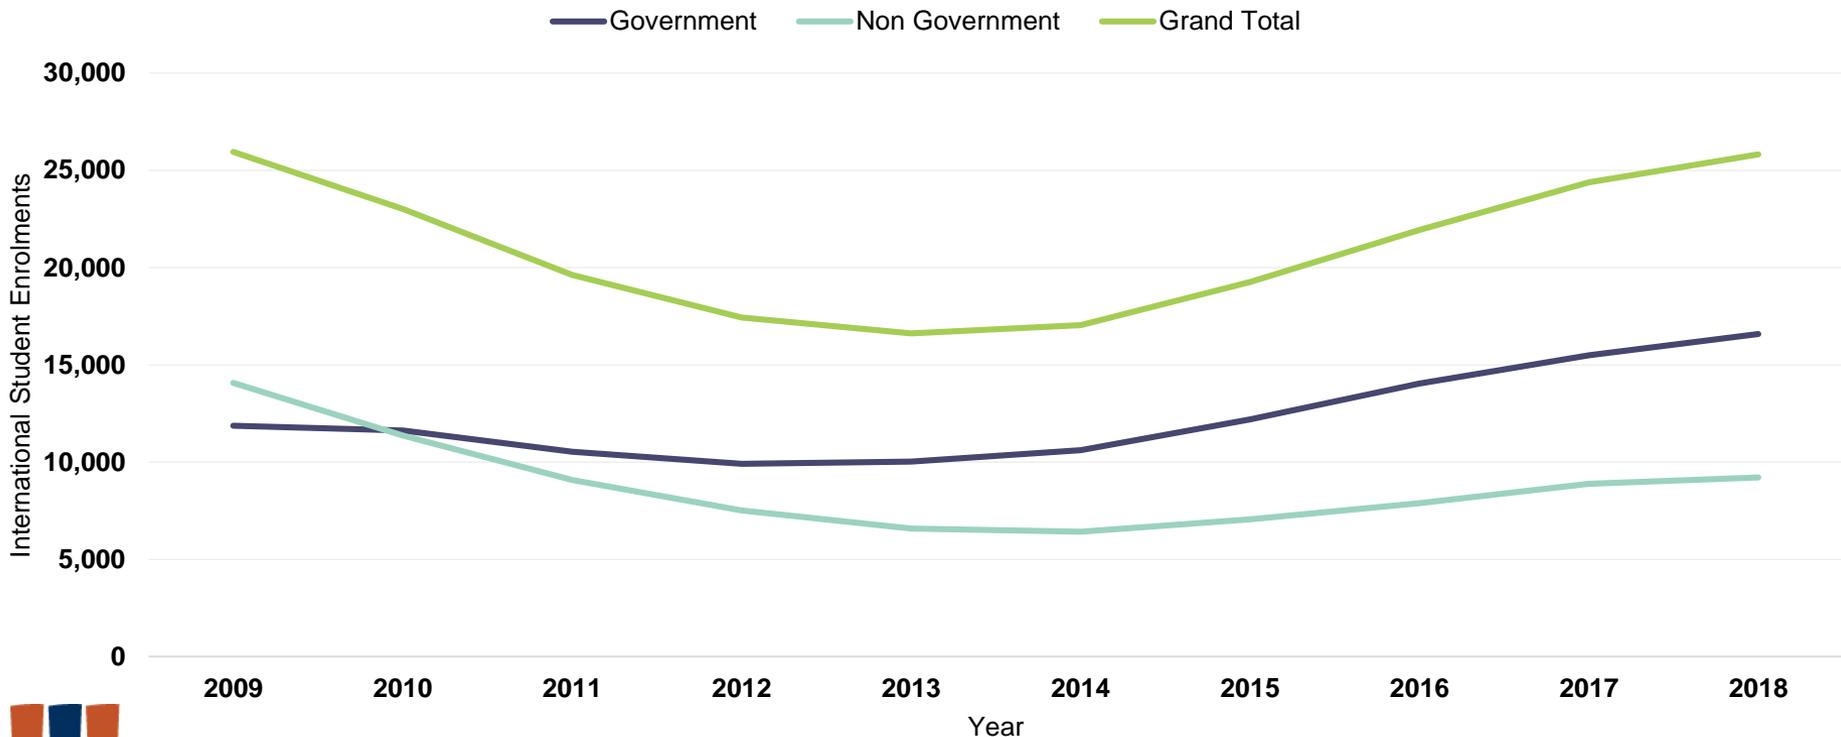

International Student Data – School Sector

International Student Enrolments (Schools Sector) - by State
July YTD 2009 - July YTD 2018

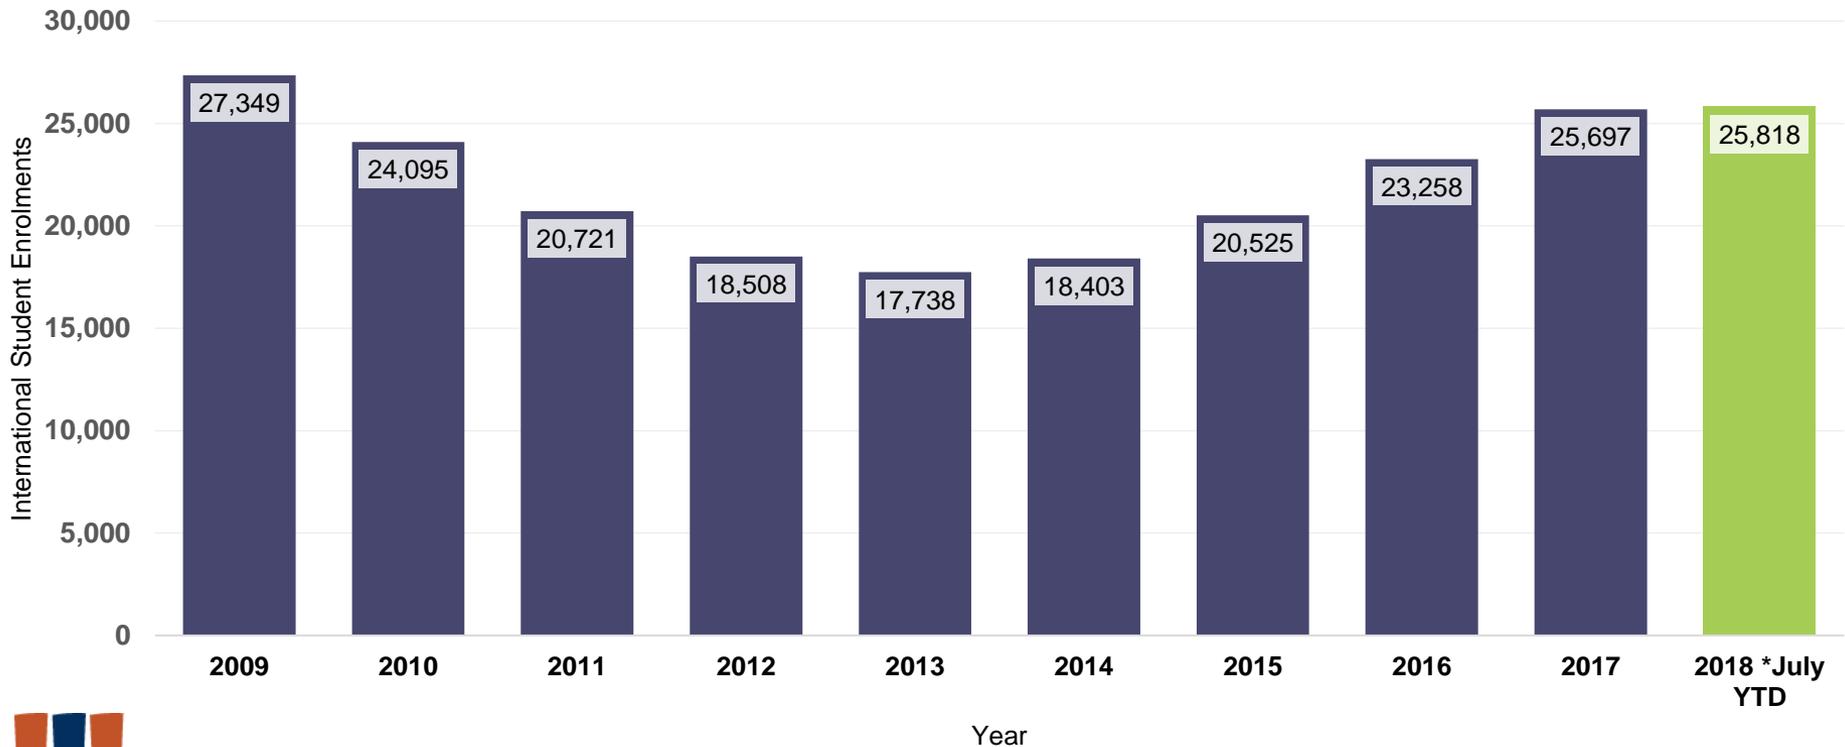

International Student Data Government and Non-Government Schools

International Student Enrolments (Schools Sector) - by Provider Type
July YTD 2009 - July YTD 2018

International Student Data 2009 – 2018

International Student Enrolments (Schools Sector)
December YTD 2009 – July YTD 2018

Other International Engagement & Students in Schools

- **Dependants of Student visa holders**
- **Dependants of other temporary visa holders**
- **Visitor visa holders** – enrol for 1 term program
- **Exchange students** – hold student visas but not in data
- **Study Tours / Summer camps** – students & teachers - hold visitor visas & average stay 2 weeks
- **Sister schools** - agreements between 2 schools
- **MoUs** – agreements with Ministries & Boards of Education
- **Language programs** – local students study overseas during holidays
- **Overseas excursions**

Where are the gaps & who holds the data?

Some data held by ADET and home Affairs

Visitors & Students on Study Tours / Summer camps

- Data on visitor visas not collected for under 16s

Sister schools

- No data or at school level

Exchange students

- Held by regulators / states & territories

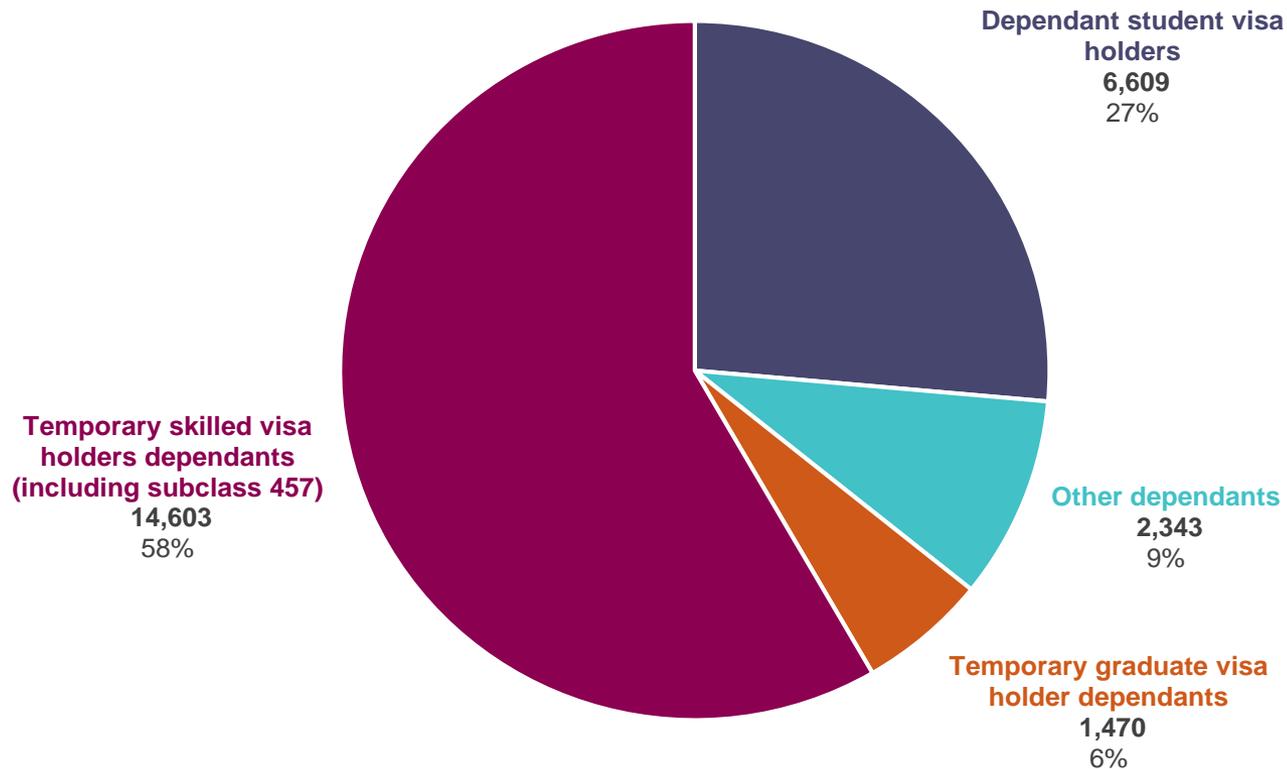

MoUs with Ministries & Boards of Education

- States & Territories or district level

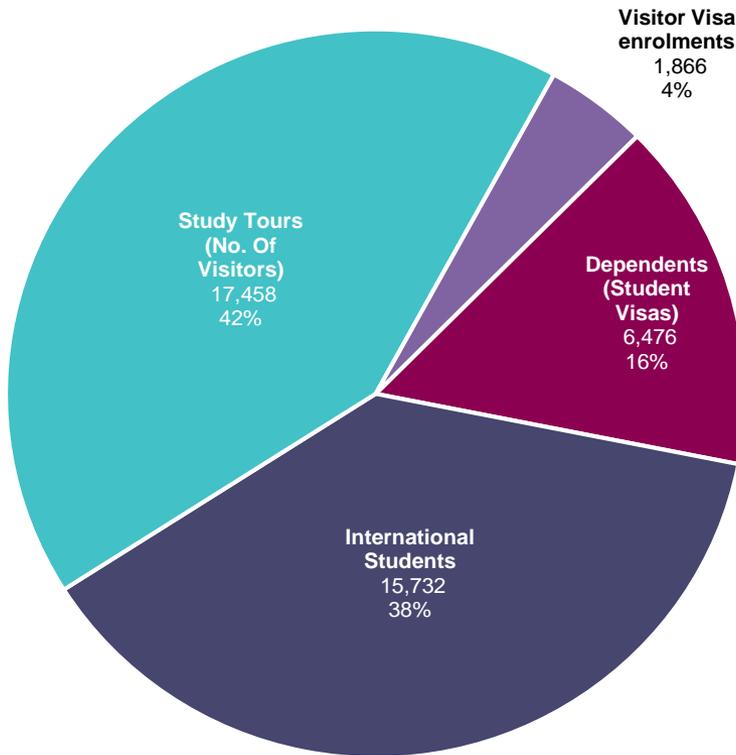

Temporary secondary visa holders – school age

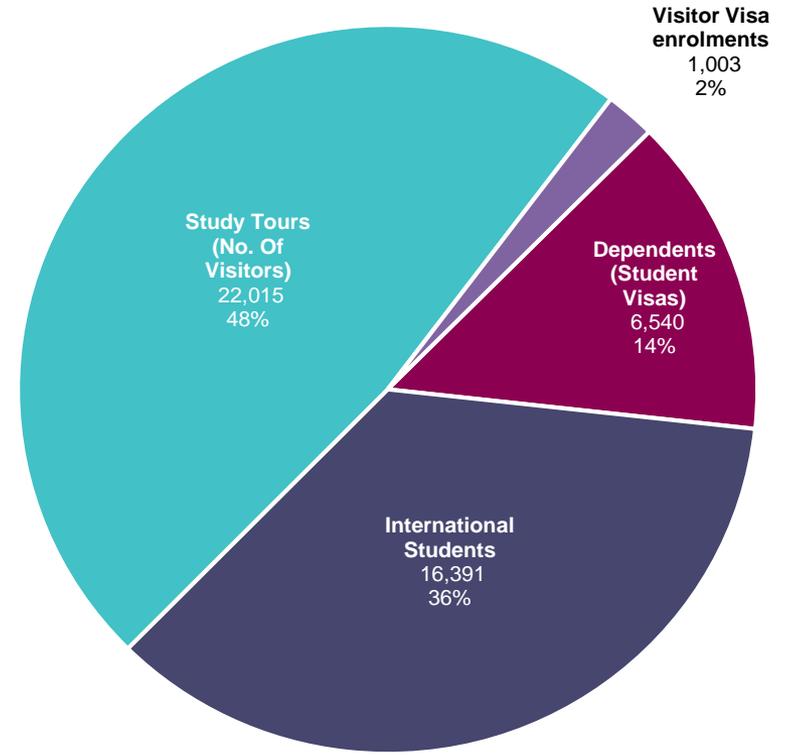

Temporary secondary visa holders in Australia
25,025 at June 2018

Australian Government Schools International Activity

September 2017

September 2018

International Engagement in the School Sector

There is a lot happening in the schools sector – but there are gaps in data and held by various agencies & groups:

- ADETIG
- Home Affairs – some visa data
- State & territories hold some data
- National associations & committees – AGSI & NCCISSE
- School level data

What's needed? A research project to get the full picture!
