StudyNSW

# StudyNSW key functions

delivered as core projects (funded by government) and partner projects (co-funded with industry)

1. Enhance international student experience in NSW
2. Promote NSW education/research strengths and provide information about studying in NSW
3. Coordinate international education policy and build partnerships across education, government and business
4. Support offshore and new technology-enabled delivery of education by NSW providers

& Cabinet  
StudyNSW

## StudyNSW co-funded Partner Projects

- Funding of up to \$100,000 per eligible project
- Initial round in 2014/15 supported 7 projects to a value of \$340,000 which included:
  - 5 NSW universities “Interchange” Entrepreneurship Program
  - **IEAA** research project and national symposium on student accommodation solutions

## 2015/16 Partner Projects

- Seven projects with a total value of up to \$1,650,679 with co-funding of \$317,900 including:
  - **Redfern Legal Centre:** free legal service for all international students in NSW.
  - **Intersective:** work integrated learning (WIL) pilot program for 300 international students in NSW.
  - **IEAA:** road map for the development of high-impact government policy to improve the quality and cost of international student accommodation.
  - **Interchange:** co-funding for a collaborative program that will bring together 200+ students from six or more institutions to boost their entrepreneurial skills and employment prospects.
  - **NSW National Association of Graduate Careers Advisory Services:** to deliver an international student employability forum where students will have the opportunity to engage with employers and access advice on how to gain work experience in their field of study
