Head of College
Dr Jennifer McDonald

A transformative experience – of personal development & growth

Creating a meaningful residential community

1.Culture

2.Community

3.Cost

Community

Intentional not accidental communities

- Diverse
- Inclusive
- Integration with local students
- Friendships for life

“UC has allowed me to make the transition to university and life in Melbourne seamlessly. I have made lifelong friends here.”
– Siti S. from Singapore

Community

Full service model – communal dining hall

Communal dining hall

v

Shared self-catering kitchen

Community

New dining hall under construction

Community

Learning Communities

Satisfaction with academic support: 96% (2015 Student Experience Survey)

Results (Semester 1, 2016)	
Honours or higher	75% of all subjects studied
Distinctions	37% of students
Second class honours	38% of students

Community

Learning Communities

UC

Yale

Vanderbilt

Culture

Creating a positive culture

- Working with student leaders
- A Code of Conduct not a set of rules

Cost: Scholarships and paid work

Financial support in Melbourne colleges	
Total residents in Melbourne colleges	2447
Number of students who receive scholarships or bursaries	848
Total amount given in scholarships and bursaries	\$4,589,245
Number of residents in part-time employment in the colleges	473
Total amount paid to students in part-time employment in colleges	\$1,849,722

Thank you
