NSW Police Force

- NSW Police Force accepted the unique opportunity to participate and support the delivery of a project focused on safety and engagement
- Project aim was for students to review current NSWPF engagement strategies and methods from an international student perspective
- Understand 'notions' of safety and
- Look at national and global best practice for engaging international students

Research and findings

- **CURRENT PROBLEMS**: not feeling comfortable engaging police, not knowing how to report crime, limited safety information pre-arrival, not connected to NSWPF Facebook
- **SURVEY**: investigate perception of safety, understand awareness of safety services, current information delivery platforms, what information students are looking for
- **KEY FINDINGS**: 90% of respondents unaware of NSWPF Facebook, respondents satisfied with content of NSWPF Facebook, found campus security actively engaging with students and a strong co-operation between universities and NSWPF
- **RECOMMENDATIONS**: 1) Enhanced marking strategy for NSWPF Facebook 2) Mobile Phone Application

NSW announces new services for international students

StudyNSW is excited to announce a new partnership with Service NSW offering dedicated and centralised information and referral advice to international students in New South Wales: the **NSW International Student Support Service**.

Students can now contact Service NSW for referral services and information on:

- accessing support services
- staying safe and well
- working while you study
