

China in Focus: Challenges & Opportunities Ahead

**Presented at AIEC 2016
Melbourne, Australia**

Dr Bates Gill

Professor of Asia-Pacific Strategic Studies

**Australian National University and
Board Director, China Matters**

Challenges ahead: some numbers

- **In higher-ed, proportion of Chinese among foreign students is 37%**
- **Some parts of higher-ed have even higher proportions of Chinese students—ACT more than 54%; NSW more than 41%; 70% of foreign students at ANU College of Business**

Challenges ahead: risk management

- ***Financial risk***
- ***Educational and reputational risk***
- ***Political risk***

Opportunities ahead

- ***Post-graduation follow up***
- ***Expanding Australian presence in China***
- ***Improving Australian experience and conversancy***
- ***Reaching political leaders in both countries***
